Cash out indisponível; um termo que se refere à situação em que se faz uma retirada de dinheiro, o valor não está disponível no momento da transação financeira. Essa situação pode gerar diversas e impossibilitar o cumprimento de obrigações financeiras.

>

Ocorrência e localização

Ação e consequência

Quando uma operação de cash out indisponível ocorre, isso pode resultar em consequências negativas, como a acumulação de dívidas, taxas e juros altos. Também pode impossibilitar o cumprimento de obrigações financeiras, tais como o pagamento de contas e compromissos financeiros adquiridos.

O que acontece se eu fizer uma retirada de dinheiro indisponível?

>

Her psychic powers mutate the smallpox virus into a new strain of virus, called the "ring virus", one that causes anyone who contracts it to die, seemingly of fright, within a week. By Ring, in 1991, the Izu sanatorium, including the well that Sadako was thrown into, has been rebuilt into a mountain resort.
